RELEVANT EXPERIENCE

Savi Hotels & Resorts *Operational Lead, Jaipur, India* Jan 2021–Jul 2026

- Grew weekly rooms from four room-nights at takeover to a peak week of five full-property sell-out days - market timing helped, but the ramp held only after corporate MICE banquets ran morning to evening and walk-in family lunches shared the same kitchen and service spine.
- Supported four repeat corporate events for decade-long clients - leading three on-site and overseeing two while off-site - by standing up meeting and banquet spaces, QA-ing buffet timing and staff readiness, and recovering live service when managers cut corners.

Founder and President *Hult AI Collective, London, UK* Jan 2025–Present

- Attended two formal corporate dinners during the Hult period; on the second, stepped into back-of-house logistics for a service gap - building client-side judgment on what reads as polished hospitality versus merely acceptable.

Family Real Estate Business *Real Estate Operations Associate, Jaipur, India* Jan 2021–Present

- Closed high-value residential deals by treating MD and partner entertainment - venue ambience, menu, and after-event hosting - as part of the relationship arc, not an afterthought once terms were agreed.
- Closed signed leases and sales by sequencing pricing bands, qualified viewings, negotiation, and handover for monthly rents of GBP 800 to GBP 3,800 and penthouse sales of GBP 70,000 to GBP 90,000.

RELATED PROJECTS

Culinary Operations Rotation Jan 2021–Present

- Protected order accuracy under peak volume by coordinating service, resolving guest issues immediately, and shadowing the maitre d' through front-of-house handover.

Hospitality Craft and Innovation Article Jan 2021–Present

- Published an evidence-led argument connecting service quality, workforce capability, and operating-model design as mutually reinforcing levers for hospitality innovation.
- Argued that hospitality should invest in training, service judgement, and repeatable execution rather than treating innovation as technology adoption alone.
