SPATIAL PROFILE

Retail flagships fail when digital and floor staff tell different stories. I design service touchpoints, spatial flows, and phygital moments that align brand promise with guest behaviour.

RELEVANT EXPERIENCE

Savi Hotels & Resorts *Operational Lead, Jaipur, India* Jan 2021–Jul 2026

- Ran the property through the first operating weeks after handover - front desk, staffing, rooms product, and event-space readiness - while designing mobile-first workflows so paper completion did not become an empty building.
- Increased repeat bookings by 30% within 6 months across 4 hotels by routing structured guest feedback into reception script updates, staffing changes, and amenity fixes reviewed in a weekly ops cadence.

Siya The Restaurant, SRBS Group Jan 2025–Jan 2026

Menu Engineering Consultant, Jaipur, India

- Built the property restaurant’s first digital consumption baseline by OCR-digitising two years of handwritten kitchen registers into SKU-level data for par levels, preparation forecasts, and stock variance checks.
- Redesigned and repriced a 191-item on-property menu through a margin-times-velocity matrix that guided placement, assortment, pruning, and print-ready composition decisions.

RELATED PROJECTS

Project OULM - One YMCA Youth Community Platform Sep 2024–Dec 2024

Client Advisory

- Shifted the growth model away from daily active users toward offline belonging - building accountability architecture with intentional verification friction for under-16 access.
- Delivered six connected outputs - technical MVP, identity, design tokens, skeleton states, posters, and venue touchpoints - as a safeguarding-aware service ecosystem with legible handoffs.

NIRMANA Design Capstone Sep 2024–Dec 2024

- Extended the critique of design education into 7 connected formats: curriculum, essays, short film, music score, microsite, documentation, and spatial manifestation.
- Built 2 companion interfaces - a public microsite and a Snaptrude spatial prototype - connecting the digital card system to its proposed physical exhibition environment.
