FAMILY OFFICE PROFILE

I combine governance design, reusable financial models, and diligence narratives for family-enterprise portfolios.

RELEVANT EXPERIENCE

SRBS Group *Associate to the Managing Director, Jaipur, India* Jan 2021–Jul 2026

- Recommended and helped execute an approximately GBP 40,000 Shimla hotel lease, assessing markets, books, asset quality, downside, operating fit, and valuation.
- Built a seven-part diligence framework covering market, operator, asset, legal, commercial, valuation, and execution risks.

Family Real Estate Business *Real Estate Operations Associate, Jaipur, India* Jan 2021–Present

- Moved a 12-property portfolio - 8 apartments and 4 hostels - from construction coordination through commercial readiness into sales and leasing.
- Closed leases and sales through pricing, viewings, negotiation, and handover: GBP 800 to GBP 3,800 monthly rents and GBP 70,000 to GBP 90,000 penthouses.

Savi Hotels & Resorts *Operational Lead, Jaipur, India* Jan 2021–Jul 2026

- Grew from four weekly room-nights to five sell-out days in a peak week, aided by market timing, corporate MICE banquets, and walk-in lunches.
- Converted peak demand into repeat corporate packages, alternative booking structures, and playbooks for rooms, banquets, and walk-in F&B.

RELATED PROJECTS

Family Governance and Office Access Model Sep 2024–May 2025

- Modelled single- and multi-family office access for HUF families, respecting cultural and legal constraints in investment, reporting, succession, and advice.
- Unbundled governance, reporting, diligence, succession, and specialist advice into family-office modules for Tier 2 and Tier 3 cities.

Project GANET - Finance Digital Garden and Learning Collective Jan 2025–Present

- Built GANET as a personal finance vault and public digital garden: reusable models and templates, papers, study notes, opinionated guides, and beginner roadmaps.
- Ran a two-way loop with BWC: GANET research and templates fed desk models and macro calls; StockTrak trade logs, performance evidence, and postmortems became worked cases in the vault.
