GROWTH PROFILE

Accelerator founders confuse activity with pipeline. I combine customer research, funnel analytics, and market mapping into GTM recommendations with measurable conversion targets.

RELEVANT EXPERIENCE

AstroPatshala *Co-Founder and Operations Lead, Remote* Jan 2021–Present

- Built and maintained two production codebases governing customer acquisition, education delivery, research publishing, and internal operations - with deployment cadence tied to licensing releases.
- Structured AstroPatshala research publishing and course licensing as repeatable GTM assets - pricing tiers, channel partners, and delivery packaging aligned to the operating model.

Independent Healthcare Venture (Client Anonymised) Jun 2024–Aug 2024

Technology and Strategy Consultant Intern, London, UK

- Translated stakeholder interviews into two decision-ready deliverables: a post-discovery market report and a phased entry plan grounded in customer segments and product thesis.
- Moved the venture from discovery to launch readiness in two months by shipping three assets: an MVP website, information architecture, and implementation roadmap.

RELATED PROJECTS

AstroPatshala AARRR Growth Strategy Jan 2024–Present

- Mapped the AARRR funnel across AstroPatshala's consulting, education, and research offers, linking acquisition, activation, retention, referral, and revenue to concrete operating choices.
- Turned the funnel into an operating roadmap spanning channel tests, onboarding, repeat-service triggers, referral loops, and pricing actions.

Redshaw Advisors Brand Strategy and Campaign Kit Sep 2024–May 2025

Pro Bono Advisor

- Redesigned Redshaw Advisors' positioning by turning carbon-credit diligence and ESG research into a legible brand proposition, audience architecture, and campaign system.
- Paired the repositioning with guerrilla campaign concepts and a reusable creative kit designed to make specialist carbon-market expertise more legible and convert attention into qualified interest.
