GROWTH PROFILE

D2C marketplaces burning cash on paid acquisition need scrappy loops. I build content funnels, conversion experiments, and referral mechanics that grow users without proportional spend.

RELEVANT EXPERIENCE

- AstroPatshala

Co-Founder and Operations Lead, Remote

Jan 2021–Present

 - Built and maintained two production codebases governing customer acquisition, education delivery, research publishing, and internal operations - with deployment cadence tied to licensing releases.
 - Structured AstroPatshala research publishing and course licensing as repeatable GTM assets - pricing tiers, channel partners, and delivery packaging aligned to the operating model.
- Margaradarshaka

Co-Founder and Technical Lead, Remote

Jan 2025–Present

 - Required human review after every AI-handled call - no unattended counselling sessions and no automated judgment on safeguarding-sensitive calls.
 - Set stage gates on demand, delivery economics, and human-review cost - testing each before authorising the next build tranche.
- Founder and President

Hult AI Collective, London, UK

Jan 2025–Present

 - Expanded practical AI learning beyond club events through a guest lecture on agentic workflows and AI-assisted software development for the wider student body.
 - Used partner-fit research to prioritise institutional and commercial prospects, then tailored outreach and follow-up into a sponsorship pipeline for HAC events and programmes.

- AstroPatshala AARRR Growth Strategy

Jan 2024–Present

 - Mapped the AARRR funnel across AstroPatshala’s consulting, education, and research offers, linking acquisition, activation, retention, referral, and revenue to concrete operating choices.
 - Turned the funnel into an operating roadmap spanning channel tests, onboarding, repeat-service triggers, referral loops, and pricing actions.
- JEKI Cross-Channel Campaign for AfriKids

Sep 2024–Dec 2024

Client Advisory

 - Designed JEKI as a biannual alternative-reality campaign spanning 5 participation channels - web puzzles, city clues, pop-ups, Discord, and merchandise - to convert play into charity awareness and donations.
 - Built 4 launch assets - the JEKI and Yago website prototype, a dual-brand system, poster series, and cross-channel journey - linking public discovery to an invite-only creative community.
