INVESTMENT PROFILE

Corporate venture arms need innovation diagnostics tied to parent strategy. I evaluate venture governance, pilot fit, and portfolio alignment for CVC investment committees.

RELEVANT EXPERIENCE

SRBS Group *Associate to the Managing Director, Jaipur, India* Jan 2021–Jul 2026

- Recommended - and subsequently helped execute - the approximately GBP 40,000 Shimla hotel lease after integrating market conditions, prior operator books, asset quality, downside risk, operating fit, and valuation.
- Built a reusable seven-part diligence framework spanning market attractiveness, operator quality, asset condition, legal exposure, commercial fit, valuation logic, and post-transaction execution risk.

Savi Hotels & Resorts *Operational Lead, Jaipur, India* Jan 2021–Jul 2026

- Completed property handover by running site analysis, verifying room and F&B inventory, and formulating operating agreements - then fitted the meeting room and banquet spaces to a bookable standard before the first guest weeks.
- Grew weekly rooms from four room-nights at takeover to a peak week of five full-property sell-out days - market timing helped, but the ramp held only after corporate MICE banquets ran morning to evening and walk-in family lunches shared the same kitchen and service spine.

RELATED PROJECTS

IHCL/Taj Hotels Corporate Innovation Diagnostic Sep 2024–Dec 2024

Independent Strategic Teardown

- Carved 30% of IHCL's proposed INR 5,000 crore envelope into an INR 1,500 crore Box 3 portfolio across Qmin, ama, Tree of Life, and new ventures, with fuzzy gates tied to repeat purchase, NPS, contribution margin, and kill thresholds.
- Generated the 20-slide executive deck programmatically from the end-to-end diagnostic, preserving analytical consistency across the board narrative.

Duve Venture Diligence and Industry Tearsheet Jan 2025–May 2025

Spec Strategy

- Delivered an industry tearsheet and diligence pack for an anonymised London VC evaluating Tel Aviv-based Duve during its bridge between seed and Series A.
- Framed Duve as a conditional follow-up - not a clean proceed/pass - naming PMS integration dependency, rollout friction, and customer concentration as diligence gates before conviction.

EDUCATION

Hult International Business School | London, UK *Expected May 2027*

Triple Crown Business School | Bachelor of Business Administration
