TECHNICAL PROFILE

Applied ML teams need reliable pipelines, not notebook experiments. I build evaluation workflows, data hygiene, and model-serving paths suited to biotech-grade reproducibility.

RELEVANT EXPERIENCE

- Margadarshaka *Co-Founder and Technical Lead, Remote* Jan 2025–Present
- Prototyped a Whisper/C++ edge inference path to hold per-call compute inside the INR 50 ceiling - bounded automation before full voice-stack spend.
 - Framed a low-price-point, SDG-aligned access path for regional-language counselling - stress-testing affordability without compromising safeguarding spend.
- Founder and President *Hult AI Collective, London, UK* Jan 2025–Present
- Expanded practical AI learning beyond club events through a guest lecture on agentic workflows and AI-assisted software development for the wider student body.
 - Made HAC's work reusable and publicly legible through kartavya.tech/HAC, centralising event records, technical resources, and treasury infrastructure in one operating hub.

RELATED PROJECTS

- Amanuensis: Hindi Speech Recognition Jan 2025–Dec 2025
- Stopped further training on evidence rather than sunk cost after benchmarking model quality and compute demand against the limits of local hardware.
 - Built and evaluated a Whisper workflow for Hindi and code-switched speech, carrying raw audio through preprocessing and fine-tuning into prerecorded inference.
- Agentic Workflow and Evaluation Platform Jan 2025–Dec 2025
- Engineered an agent orchestration layer with tool routing, structured memory, retry policies, and mandatory human approval for high-risk actions.
 - Built an evaluation harness that compared task success, latency, token cost, tool reliability, and recovery across model and prompt changes.

EDUCATION

- Hult International Business School | London, UK *Expected May 2027*
- Triple Crown Business School | Bachelor of Business Administration
- ~~Double Major~~ Entrepreneurship and Design (Double Major)
- ~~67%~~ 74.00 | UK Firsts honors
- ~~Honors~~ List for consecutive terms; Academic Excellence Scholarship; Social Impact Award; Full-Ride Master's Grant
- ~~Design Thinking~~ Design Thinking in Practice; Design Thinking in Web Design; Fundamentals of Business Analytics; Future Proofing Challenge; Building Next-Generation Startups
