RELEVANT EXPERIENCE

SRBS Group *Associate to the Managing Director, Jaipur, India* Jan 2021–Jul 2026

- Executed the 8-day Shimla takeover through a room-by-room property rundown, inventory and quality verification, tenancy review, risk logging, stakeholder coordination, and documented handover to the incoming operating team.
- Protected group continuity during an active operational disruption by restoring access and connectivity across visa-linked institutional accounts.

Savi Hotels & Resorts *Operational Lead, Jaipur, India* Jan 2021–Jul 2026

- Completed property handover by running site analysis, verifying room and F&B inventory, and formulating operating agreements - then fitted the meeting room and banquet spaces to a bookable standard before the first guest weeks.
- Ran the property through the first operating weeks after handover - front desk, staffing, rooms product, and event-space readiness - while designing mobile-first workflows so paper completion did not become an empty building.

Founder and President *Hult AI Collective, London, UK* Jan 2025–Present

- Produced the HAC x Hult Finance Hackathon with the Hult Banking Society from partner alignment and the event dossier through speaker outreach, workshops, and on-site delivery.
- Took Hult's student AI organisation from operating concept to public launch by building its programming calendar, outreach cadence, event delivery, treasury controls, and technical infrastructure.
