REAL ASSETS PROFILE

Real-estate SaaS buyers sceptical of IoT hype need product clarity. I link digital-twin concepts, privacy-first sensor framing, and workflow fit for property-technology adoption.

RELEVANT EXPERIENCE

Savi Hotels & Resorts *Operational Lead, Jaipur, India* Jan 2021–Jul 2026

- Ran the property through the first operating weeks after handover - front desk, staffing, rooms product, and event-space readiness - while designing mobile-first workflows so paper completion did not become an empty building.
- Kept a five-workstation, eleven-drive hotel IT estate live through the turnaround by running cabling, storage health checks, and downtime-window patches so front desk and back office did not drop during peak service.

Family Real Estate Business *Real Estate Operations Associate, Jaipur, India* Jan 2021–Present

- Moved a 12-property portfolio - 8 apartments and 4 hostels - from construction coordination through commercial readiness into sales and leasing.
- Closed signed leases and sales by sequencing pricing bands, qualified viewings, negotiation, and handover for monthly rents of GBP 800 to GBP 3,800 and penthouse sales of GBP 70,000 to GBP 90,000.

RELATED PROJECTS

Crestara Smart-Room Digital Twin and Privacy-First IoT Platform Sep 2024–Dec 2024

- Expanded the prototype into Crestara, integrating PMS, networking, television, and room controls while processing guest data on site.
- Built Crestara's launch economics from GBP 50,000 seed funding plus GBP 12,000-15,000 founder and friends-and-family capital, pricing three hardware tiers at GBP 329-999 alongside subscriptions and GBP 800 annual maintenance contracts.

London Airbnb Pricing and Regression Models May 2025–Dec 2025

- Led as primary developer and designer, owning the analytical workflow from data preparation and log-linear model design through interpretation and presentation.
- Quantified key price effects, including 44% lower prices for private rooms, 58% lower for shared rooms, 12% higher per additional guest, and 8% higher per bedroom.
